

December 2025

Dear PARC members and families,

As colder months are here, I wanted to review the weather closing procedures for PARC. As a practice, PARC runs on the Plainville Community Schools' schedule. Therefore, if school in Plainville is cancelled, PARC activities are cancelled as well. If school is dismissed early, PARC activities are cancelled. Should weather occur outside of school hours, I will make the determination.

As usual, when PARC activities are cancelled, I will send an email to all members, will note the cancellation on the PARC Facebook page, and will alert WFSB 3 to run the cancellation on their list. Phone calls will not be made, so keep an eye out for information!

Our annual Holiday party will be held on Wednesday, December 10 at 6pm at the Wheeler YMCA. All members and family members are invited to attend! We do provide the food, but you're welcome to bring a dish to share if you'd like. Because we are guests at the Y, please do not arrive any earlier than 6pm.

Thanks!

All the best,

Erica Donovan
Executive Director
